

Overview:
Start Quick and Ramp It Up! 3rd Grade Thinking Through the Operations

Activity	Content	Focus
3.O.1 Quick Start	One-step word problems with addition and subtraction	Choose the operation and solve word problems
3.O.2 Ramp Up	One-step word problems with multiplication and division	Choose the operation and solve word problems
3.O.3 Ramp Up	One-step problems with all operations	Choose the operation and solve word problems
3.O.4 Ramp Up	One-step problems with all operations	Choose the operation and solve word problems
3.O.5 Ramp Up	Two-step problems with addition and subtraction	Choose the operations and solve word problems
3.O.6 Ramp Up	One- and two-step problems with addition and subtraction	Choose the operation(s) and solve word problems
3.O.7 Ramp Up	One- and two-step problems with multiplication and division	Choose the operation(s) and solve word problems
3.O.8 Ramp Up	One- and two-step problems with multiplication and division	Choose the operation(s) and solve word problems
3.O.9 Ramp Up	One- and two-step problems with all operations	Choose the operation(s) and solve word problems
3.O.10 Ramp Up	One- and two-step problems with all operations	Choose the operation(s) and solve word problems
3.O.11 Ramp Up	One- and two-step problems with addition and subtraction	Correct problems that are worked incorrectly.
3.O.12 Ramp Up	One- and two-step problems with all operations	Correct problems that are worked incorrectly.
3.O.13 Ramp Up	One- and two-step problems with all operations	Correct problems that are worked incorrectly.
