

Overview:
Start Quick and Ramp It Up! 5th Grade Order of Operations and Equations
Overview

Activity	Content	Focus
5.OE.1 Ramp Up	Multi-step problems	Introduction to order of operations
5.OE.2 Ramp Up	Order of operations	Match numerical expressions with solutions
5.OE.3 Ramp Up	Order of operations	Simplify numerical expressions
5.OE.4 Ramp Up	Order of operations	Understand & use the process for writing order of operations solutions
5.OE.5 Ramp Up	Order of operations	Find the mistake and correct
5.OE.6 Ramp Up	Order of operations	Find the mistake and correct
5.OE.7 Ramp Up	Equations	Create numerical expressions that simplify to a given number
5.OE.8 Ramp Up	Equations	Write equations using words and symbols
5.OE.9 Ramp Up	Equations	Justify choices for matching problems and equations
5.OE.10 Launch	Equations	Write word problems to match equations
5.OE.11 Ramp Up	Equations	Write equations to match problems and problems to match equations
5.OE.12 Launch	Equations	Write equations using a table
