

## Multiplication Battle

- 1 Mix up the **Factor Battle Cards**.
- 2 Divide the cards equally between two players.
- 3 Each player turns over one of his or her cards.
- 4 Each player solves and records the product on his or her card.
- 5 Each player checks his or her partner's answer.
- 6 Determine which player has the card with the greater product. This player keeps both cards.
- 7 Continue to play until all the products have been determined and compared.
